Re: Further Response to Public Records Act Request

Dear Mr. Reeves:

In our correspondence dated June 17, 2026, we stated the District would make reasonable efforts to provide the requested documents to you in a manner consistent with the CPRA by no later than July 17, 2026, provided we would notify you if this was not possible.

Due to the District's scheduled summer break, during which staff involved in the collection and review of responsive records are unavailable, the District requires a brief additional week to complete its review and finalize production of the remaining responsive records. Accordingly, the District anticipates providing the final batch of responsive, non-exempt records to you by no later than July 23, 2026. The District appreciates your patience and will make every effort to complete production within this timeframe.

Please feel free to contact me if you have any questions.

Thank you,

Sara Sanchez
