Pursuant to the California Public Records Act (California Government Code § 7920.000 et seq.) and Article I, Section 3(b) of the California Constitution, I hereby request access to and electronic copies of the following public records created, prepared, owned, used, or retained by the Visalia Police Department (VPD) or the City of Visalia:

1. **Roster of Authorized Personnel:**
   - A complete roster, list, or record detailing the **names, official ranks, and specific job titles** of all Visalia Police Department employees, City of Visalia personnel, or contractors currently (or previously within the last 24 months) authorized to access, search, or query the Flock Safety database through the VPD system. *(Note: This request is limited to City of Visalia employees or staff, VPD personnel, contractors, and does not extend to external outside agencies authorized by VPD to access its data.)*
2. **Training Materials & Testing Standards:**
   - All training materials, manuals, presentations, instructions, guidelines, and documentation required by VPD or provided to any individual by Flock Safety or the City of Visalia as a prerequisite for requesting, acquiring, or exercising authorization to access the Flock Safety ALPR system or database.
   - All printed training materials, reference guides, user handbooks, video files, audio-visual instruction modules, slide decks, and written or computer-based tests/examinations (including answer keys or passing threshold criteria) required to obtain or maintain system access.
3. **Personnel Eligibility & Rank Requirements:**
   - All policies, procedures, directives, or standard operating procedures establishing eligibility standards regarding employee status (e.g., sworn police officer rank, non-sworn professional staff job titles, administrative classifications, or specific unit assignments) required to request or receive Flock Safety database access.
4. **Authorization Expiration & Renewal Periods:**
   - Records specifying any time limits or expiration periods applicable to Flock Safety database access authorizations (e.g., term duration, annual renewal, periodic re-certification, mandatory re-training intervals, or security clearance refreshers).
5. **Database Query Standards & Case Number Requirements:**
   - All written standards, criteria, or policy parameters governing the permissible grounds or legal thresholds required to execute a search or query of the Flock Safety database.
   - Records indicating whether a specific Computer Aided Dispatch (CAD) number, Records Management System (RMS) case number, crime report number, or documented law enforcement purpose is mandatory prior to initiating a query.
   - Policies detailing procedures and logging requirements for emergency, exigent, or override queries where a formal case number is not immediately available at the time of search.
6. **General Authorization & Onboarding Records:**
   - Any additional forms, user agreement contracts, non-disclosure agreements, security awareness attestations, audit trail acknowledgements, or administrative documentation required for an individual to gain authorized access to Flock Safety data through VPD.

Format & Response Requirements: Pursuant to Gov. Code § 7922.570, please provide these records in electronic format. If any portion of this request is denied or claimed exempt, please provide a written response within 10 calendar days citing the specific statutory exemption relied upon and stating the specific factual justification for withholding, as required by Gov. Code § 7922.535. If only portions are exempt, please redact those specific portions and release the remainder.
